Creekside Industrial Park: electric work, December 9

Last Modified on 11/23/2026 2:42 pm EST

We're upgrading the Creekside substation to add capacity for new businesses. Power will be off for about 2 hours.

Wednesday, December 9	6 a.m. to 8 a.m.	Creekside Industrial Park	Electric

What to expect

- Businesses on the account have been contacted directly by their account manager.
- Shut down sensitive equipment before 6 a.m.
- Backup generators must be isolated from our lines. Ask us if you're not sure yours is.
